THE BEST RUN SAP

SAP offers 5 free SAP Offerings for customers and prospects to use immediately

SAP's mission of helping the world run better and improving people's lives has never been more relevant. As our customers and prospects confront the COVID-19 pandemic, SAP offers solutions that can differentiate and support businesses and individuals who are navigating the outbreak.

Below is a summary of five free SAP offerings that your customers and prospects can use immediately. Not only are they available at no cost, they are also available instantly, in most cases with the click of a button:

REMOTE WORK PULSE (RWP) BY QUALTRICS

- Details here

Overview: Remote Work Pulse helps organizations understand how their employees are doing and what support they need as they adapt to new work environments, helping organizations close experience gaps and maintain business continuity. In just four days, thousands of organizations have signed up for this free Experience Management (XM) Solution. It is the first of several free XM Solutions that will be rolled out in the coming days. Please reach out to your Qualtrics Account Executives to coordinate communications.

SAP ARIBA DISCOVERY

- Details here

Overview: For the next 90 days, we're making SAP Ariba Discovery free and open to everyone, allowing buyers to post their immediate sourcing needs and suppliers to respond and show they can deliver. This commitment will help buyers and suppliers connect quickly and effectively, and minimize disruption caused by shipment delays, capacity issues, and increased consumer demand in times of crisis.

CONCUR TRIPIT PRO

- [Details here](#)

Overview: For organizations with employees who must travel, Concur TripIt Pro allows them to remain as informed as possible, making it easier and safer for anyone who has to leave their family during a crisis. Between today and March 31, anyone will have the option to [sign up](#) for TripIt (and download the app if a first-time user) and receive TripIt Pro for six months. Existing TripIt users will also get TripIt Pro, our premium service, complimentary for six months.

SAP LITMOS

- [Details here](#)

Overview: To help support businesses that are having to work remotely, SAP Litmos is offering a completely free [Remote Readiness & Effectivity Academy](#), with training content for anyone, anytime, anywhere. The ready-to-watch video-based courses are designed to help establish best practices for remote work, maintain the highest levels of hygiene and mental wellness for workers, and develop leadership during times of change and challenge.

RUUM BY SAP

- [Details here](#)

Overview: A lightweight project management and collaboration tool to optimize processes, Ruum has created two custom checklist templates, adapted from [the Centers for Disease Control and Prevention (CDC)](#) to help businesses and individuals plan, prepare and respond to COVID-19. These custom templates can be easily used by businesses, nonprofits, families, individuals or anyone who needs a starting point to create a plan. To access these templates for free, please visit the site [here](#).
