

AFSUG[®]
african SAP user group

Are you trying to get online?

Are you battling to integrate within / external to
your own company?

IF SO

Join us for a **SAP Data** day

We want discuss with you how we can understand your requirements
To make the day a success

- AFSUG is established, well attended and is there to support you
- Why not own the agenda and drive the content for your own selfish benefit

- NOW is your chance
